

welcome

## TO OUR FAMILY & FRIENDS

During our courtship, we bonded over the exploration of a ski resort that was new to us, Beaver Creek. While falling in love with each other, Kelly also fell in love with the isolation, varied terrain, and ample opportunities for après in Arrowhead. Zaq likes to tear down the Birds of Prey runs, and pretend like he's riding (a snowboard?) in the downhill world cup, and that Kelly's in the grandstands cheering for him.

We welcome you to the beautiful Colorado mountains for a celebration of our nuptials. If you find yourself on the ski hill this weekend, please take a moment to observe a tradition very close to our hearts: stop in a tunnel, kiss a loved one. We are so fortunate to have each of you in our lives and are honored that you traveled to be with us. Thank you from the bottom of our hearts.
